Dear Potential Sponsor,

We are excited to announce the New Hope-Solebury Education Fund is hosting a Scenic Solebury 5K/Fun Run on Sunday, April 29th, 2018. The event will be held at the Bucks County Audubon Society. The cross country trail race will run through forests, along stream sides and through their beautiful meadows.

The Ed Fund is a 501(c)(3) non-profit organization founded approximately ten years ago with a mission to enhance education by annually funding teacher led grants in the New Hope-Solebury School District. In that time, it has funded dozens of innovative grants. Recent grants include: 3D printers and Maker Space accessories, author visits, document cameras, mountain bikes, murals, creative classroom seating, special assemblies and more.

For the past two years we have expanded our efforts to include more community-oriented events to increase fundraising. These events include: an annual variety show, silent auction/karaoke night, a food truck event and paint nite. All of our events have been well received and ticketed events routinely sell out. Each event further confirms our commitment to our students, our community, and our supporters.

We eagerly anticipate the opportunity to partner with you for our Scenic Solebury 5K/Fun Run. All registrants will receive a t-shirt with the 5K/Fun Run logo on the front and a list of event sponsor names and/or logos on the back.

Sponsorships are available starting at \$150. In addition, we will promote all sponsors via our active social media, which has a large following. Booth space is available the day of the event.

The deadline to have your business logo on the race day t-shirts is April 6th, 2018.

Please email us at edfundnhs@gmail.com to discuss sponsorship options. We hope to hear from you soon and we thank you for your consideration.

Kindest Regards,
The New Hope-Solebury Education Fund

The mission of the New Hope-Solebury Education Fund is to enhance the quality of education for our students. Through grant funding and service to our schools, we work to support education and encourage innovation.
