

NHS Ed Fund

# Who has been your child's **S.T.A.R.** at NHSSD?

The NHS EdFund's **Staff, Teacher Appreciation and Recognition Program** is a meaningful way to express your gratitude to a **star** in your child's life while also supporting innovative educational programs for NHS students. You can make a donation in honor of a teacher, a coach, a staff member, an aide, a nurse, custodial staff, and/or our building principals--**anyone who has had a positive impact on your child and your family.**

Your S.T.A.R. will receive a **special certificate to recognize the honor** and a letter with your personalized message. After this exceptionally difficult year for all of us, this is a meaningful opportunity to acknowledge and thank those who have made a difference.

Donations support the NHS EdFund, which provides exceptional learning experiences for students, including sensory rooms, iPads, virtual reality, flexible seating, author visits, and VEX Robotics.

**Name your S.T.A.R. before June 10 at**  
**[www.nhsedfund.org](http://www.nhsedfund.org)**  
*Order by check with this form.*

*A chance to honor those who have made a difference.*
